Surgery News

Post lockdown and new ways of working:

Leave a message to order your prescriptions by telephone

Pop your prescription in the letter box

in the grey door in the porch

Ask us about the GP or NHS app to enable you

to see your records and order your prescriptions on line

Pay your prescriptions by Credit Card

**Telephone triage still in operation after speaking
to the Doctor a face to face appointment can be made**

Ring reception 017684 82297

You will be asked the reason for calling then reception will
signpost you to the most appropriate person

If you book your vaccine and then get a more convenient offer **you must cancel your original appointment** so it can be offered to someone else.

Not turning up causes real problems for our vaccine teams.

You can help us to reach more people. Thank you.

**Our current patient
list size is 883**
